

We are most assuredly NOT terrorists, anarchists, racists, etc. etc.
We are your neighbors and friends who believe in the Rule of Law and
the limited powers of our Constitution that made this country great.
WE are the Clark Fork Valley Tea Party, a 501(c)(4) non-profit, non-partisan
organization of grassroots activists and lobbyists and this is our PURPOSE:

To educate, prepare and inspire our fellow citizens to reclaim their civic authority,
we advocate for fiscal discipline; free-market principles promoting economic
freedom; individual responsibility, self-governance; transparency and
accountability; strong state and national sovereignty; and a strategic military
all wrapped in a Constitutionally Limited Government.

We are independent of ANY political party. We seek to identify candidates
of moral character who practice principled, conservative values.
Our 501(c)(4) status prohibits public endorsement of any political candidate.
However, as private individuals, we are free to support any candidate of choice.

Look for us Defending Liberty. We welcome you to join our grassroots movement.
