

ABOUT Tea Party Patriots

The Tea Party movement spontaneously formed in 2009 from the reaction of the American people to fiscally irresponsible actions of the federal government, misguided “stimulus” spending, bailouts and takeovers of private industry. Within the first few weeks of the movement, Tea Party Patriots formed to support the millions of Americans seeking to improve our great nation through renewed support for fiscal responsibility, constitutionally limited government, and free market economic policies.

Tea Party Patriots is a national grassroots organization that exists to serve and support the thousands of local organizations and millions of grassroots Patriots throughout our nation. We provide logistical, educational, networking and other support to thousands of community-based tea party groups around the country. Tea Party Patriots state and national coordinators serve your local grassroots groups, support you with the tools and technology you need to address your local issues, listen to your voices, gather your ideas, and together help shape the overall direction of our national movement. Working in a truly grassroots fashion, we have already changed the political landscape of America.

Tea Party Patriots is 100% grassroots, 100% of the time.

Tea Party Patriots is made up of, and funded by, millions of regular Americans just like you, who believe there is a better way forward for America. We are a non-profit 501(c)(4) organization that does not support any political party nor do we endorse candidates. If you support fiscal responsibility, constitutionally limited government, and free market economic policies, we encourage you to sign up for Tea Party Patriots today.
