

MEETINGS

There are two (2) types of meetings:

Closed Meetings - These are meetings for Members only (Card Carrying Members) primarily called to conduct Clark Fork Valley Tea Party business, such as to set schedules for Quarterly goals or to decide about participation in local or statewide tea party activities or other grassroots efforts. Closed meetings could also be conducted via such means as “teleconferencing,” “on-line” presentations, and “webinars”

This category would also include any *special meetings* that would be called by the Board. Notification of these meetings would be by email, letter, telephone call or any other type of communication that would be deemed necessary.

Open Meetings - These are meetings where the general public is invited - all are welcome. These meetings will be advertised in the local Sanders County newspapers, via posted announcements, phone calls, letters, etc.

These meetings would be of interest to all citizens and would consist of, for example, town halls, special showings at local movie theaters, candidate forums, etc.
