

# QUESTIONS for ALL FEDERAL CANDIDATES

---

1. Will you support complete repeal of the Patient Protection and Affordable Care Act?
  2. Will you scale back aggressively, or abolish, federal agencies and departments that have failed, are unconstitutional, or otherwise outlived their usefulness? If yes, which ones?
  3. Will you act immediately to bring down the national debt *without* raising taxes, and continue reducing debt to below the 2006 level?
  4. Will you act immediately to remove the US from the UN, NATO and NAFTA, and set a goal in your term to remove the UN complex from US soil?
  5. Will you refuse to sign any agreement, protocol, plan or treaty that is based on the premise that the US contributes measurably to global warming or climate change?
  6. Would you work to reform the tax code? If, yes, would you support repeal of the Sixteenth Amendment?
  7. Will you repeal current executive orders that place unconstitutional burdens and/or restrictions on individual and state rights? If yes, which ones?
  8. Will you support a full audit, repeated annually thereafter, of the Federal Reserve Bank, and publish the full results online?
  9. Will you require the entire executive branch to comply with standard transparency laws (“sunshine laws”) including full compliance with all FOIA requests?
  10. Do you believe that government creates jobs efficiently?
  11. Will you agree to enforce existing immigration law while seeking to streamline the naturalization process? If yes, what will you do immediately to secure our borders?
  12. Do you believe that the Constitution is a living document to be interpreted by each successive administration?
- 

## **Essay/Video questions:**

1. What is the meaning and scope of the “Commerce Clause” of the Constitution?
2. What is the proper size and scope of the federal government, and how would you achieve that level?
3. What will you do to reform entitlement programs to end unfunded mandates on current and future citizens and states?
